1. An airfield was located about 5 miles southeast of LUBOCHNIA (Q 52/P 31). The village of GLINNIK (Q 52/P 31) was on the west and a large forest on the east. The entire field was sodded and was used as pasture land.
2. There were 3,300-foot concrete runways and a concrete road running around the entire landing field.
3. An obsolescent, heavily damaged, and unserviceable plane was in the only hanger.
